Best, Karen

Thanks so much for doing it for me. I really
appreciate your getting it to me so quickly
too.

Warm regards,

If appropriate I will combine shipping. I will
treat you like I would like to be treated.

I will ship for free if your purchase total
exceeds \$100. Remember, I do garments
also. Add a shirt or tote bag. Embroidery
makes a nice gift. Remember, U.S. only!

I understand you have busy show schedules
and will do my best to deliver quickly. If you
need your shelter skirt for a special event be
sure to communicate that. Under normal
conditions I should be able to deliver your
order within 3 weeks.

If shipping overnight or second day the final
cost will reflect the additional shipping fees.

Fantastic! I'll be sure to send you some pics.
Thanks! Best, Karen

Many computer fonts can be used. Fonts that are very thin or fussy are unusable.

Please be sure to identify the name of the font. If you downloaded the font please attach a copy in your email. Send to: sue@whimsuecal.com

USABLE FONT SAMPLE

Unusable font:

unusable font sample

This sample is 14" wide by 7.7" high.

TIP: Create a sample with a word processing program. If the entire name won't fit on the sheet of paper then only print out a few letters.

The letter column or parts should be 0.1" - 0.5" wide. If they are too thin they won't stitch nice and will look skimpy. If they are too wide then the stitches can be loose and snag on things.

TIP: Thread requires more space than ink. If there isn't much space inside the closed areas of the letter when they are stitched the areas will appear solid.

Sample, this word will not look nice and it will be difficult to read. The open space in the a and e is too small and will be nearly closed. Also, it will be difficult to stitch in more than one color. Too many stops and starts.

PRICE LIST

10" wide by 6" high: \$30.

15" wide by 9" high: \$50.

18" wide by 12" high: \$75.

Metallic or specialty thread add up to 50%.

Price is based on width. The number of lines is limited by font size and hoop height. Generally, 2 or 3 lines.

I do not charge per line.

Add a graphic. My designs start at \$25. for a 4" design. (Ask - most designs can be resized.) Depending on how many thread colors and overall complexity I may wave or reduce the graphic fee.

Price is calculated by how hard it is to add a graphic and the amount of time to stitch.

I can also use your photos or graphics but will have to assess your images to determine the digitizing fee.

Size restrictions. Width and height may be restricted by pockets and hoop size.

I ONLY SHIP WITHIN THE U.S.

Please add \$9. shipping & handling. I ship by USPS priority mail and combine shipping when appropriate.
